

TERMS AND CONDITIONS OF SALE

Originally known as LA VIE SAUVAGE, a French travel agency, we expanded internationally while keeping our identity, simply under a different name called WANDERLY TRIPS by La Vie Sauvage.

Wanderly trips sets out its Terms and Conditions of Sale (TCS) according to the specific features of its trips. Any purchase of a trip implies acceptance of these terms.

We draw your attention to the fact that the guided tours and tailor-made trips offered on our website <https://www.laviesauvage-rando.com/en/> constitute, under the applicable regulations, a "package". As such, you are entitled to the rights set out in Article 15 of these Terms and Conditions.

1. OUR TRAVELLING OFFERS

Our travel offers include (1) guided tours to be undertaken in groups, and (2) tailor-made trips designed, according to your preferences at the time, with the assistance of one of our advisors.

Only the services specified in the technical description of the trip, available for the purpose of your registration with **Wanderly Trips** or on the <https://www.laviesauvage-rando.com/en/> website, shall be considered contractual. In the event of any inconsistency between the information relating to a trip contained in our offer (brochure, website, etc.) and that stated in the technical description available from Wanderly Trips or on its website, the latter shall prevail.

1.1. GUIDED TOURS AND FAMILY TRIPS
From our website <https://www.laviesauvage-rando.com/en/>, and for each of our guided tours, we provide you with detailed information regarding the nature and specific features of the trip.

You will in particular be able to consult (i) the day-by-day itinerary of the tour, (ii) practical information about the chosen destination, and (iii) all useful information for its completion (level of physical involvement, minimum number of participants). A "Dates and Prices" section will also provide an indication of the cost of the trip for the selected date.

Our tours may accommodate minors accompanied by an adult, provided that their age and physical ability allow them to complete the tour under normal conditions.

Please note that we offer tours specifically designed for families, which are available exclusively to participants traveling with at least one minor child.

We draw your attention to the fact that we offer trips which may require varying levels of physical effort. Consequently, we recommend that you carefully read the information specifying the level of physical involvement required to undertake the planned trip.

It is therefore the responsibility of each participant to determine, based on the information provided, whether they have the necessary abilities to complete the trip.

In case of doubt, and before any registration, we invite you to consult Wanderly Trips as well as any relevant specialist (e.g., your attending physician in case of medical history) to confirm your ability to undertake this trip.

1.2. TAILOR MADE TRIPS
You have the possibility to create a personalized trip with the assistance of our advisors. Simply request a quote at our agency and/or via our website in the "Tailor-Made Trips" section.

2. REGISTRATION PROCEDURE

We invite you to visit our website <https://www.laviesauvage-rando.com/en/> to (2.1) place a hold, (2.2) request a quote, and/or (2.3) register to book a Wanderly Trips trip.

2.1. PLACING A HOLD

We offer you the possibility to place a hold through our website, thereby expressing your interest in the selected trip, without any financial commitment on your part at the time the hold is made.

Placing a hold allows you to reserve one or more spots for a limited period at the rate in effect on the date the hold is made.

After the expiration date of the hold, the rates specified in the hold shall no longer apply, and availability of the spots will no longer be guaranteed.

2.2. REQUEST FOR A QUOTE FOR TAILOR MADE TRIPS

If you are interested in a personalized trip on your chosen dates and with the travelers of your choice, we invite you to submit a request for a quote on our website through the dedicated section.

2.3. REGISTRATION

A registration is firm and final once the registration form (RF) has been completed and signed, and the deposit or full trip price (depending on the trip departure date) has been paid in accordance with the procedure described in Article 3 of these Terms and Conditions.

Upon receipt of your registration, Wanderly Trips will issue the invoice after verifying payment of the amount paid and the availability of services for your chosen departure date. If the selected trip is fully booked and/or unavailable on your departure date, Wanderly Trips will promptly refund all amounts paid without any deductions.

We inform you that the person completing the registration on behalf of the various trip participants undertakes to pass on to each participant the information provided by Wanderly Trips concerning the trip.

In accordance with Article L. 221-28 of the French Consumer Code, you do not benefit from a withdrawal period for the purchase of travel services.

3. PAYMENT TERMS

3.1. PAYMENT PROCEDURE ACCORDING TO THE CASE

For any registration for our trips:
• For any registration made more than 35 days before the trip departure date, Wanderly Trips will collect a deposit of 30% of the total trip price. The balance of the trip price must be paid, without any reminder from us, and received by Wanderly Trips no later than 30 days before the departure date.

Any delay in the payment of a deposit and/or the balance of the trip price will be considered a cancellation on your part, for which the cancellation fees referred to in Article 6 below will apply.

• For any registration made less than 30 days before the departure date, you must pay the full trip price.

3.2. PAYMENT METHODS

Through our website, you can pay for your trip: (i) by credit card (Visa, Eurocard, Mastercard only — Amex not accepted), (ii) by check, or (iii) in cash, within the limit set by Article D 112-3 of the French Monetary and Financial Code (i.e., €1,000 per file).

3.3. INVOICE

For any payment that has been validated and

received by Wanderly Trips, an invoice will be sent to the person who signed the registration form no later than 15 days following receipt of the payment.

4. TRIP INFORMATION

4.1. ADMINISTRATIVE AND HEALTH FORMALITIES

Before registering for your trip, you must ensure that each traveler, depending on their personal situation and nationality, possesses a valid passport or national identity card (ID), which will be used to undertake the planned trip, as well as any other necessary documents/proofs (visa, exit authorizations, family record book, etc.) required to transit through and/or enter the countries visited. Wanderly Trips provides information on formalities for all French nationals. For other nationalities, we are available to assist you in completing the necessary procedures.

For the organization of your trip, we inform you that certain countries and/or service providers (notably customs authorities, airlines, etc.) require the transmission of some of your personal data in order to complete forms and/or meet requirements related to their booking and/or control systems.

For this purpose, we may be required to provide the following data to these service providers:

- Your last name(s), first name(s), date of birth, and gender as stated on the passport or ID card (if the destination allows), which you will use for your trip and to complete transit or entry authorizations (visa, ESTA, etc.);

- Data related to any assistance needs (children, persons with reduced mobility, or others).

It is important to note that if you are required to complete administrative forms for your trip, you must provide the same information that was submitted to Wanderly Trips, namely your last name(s), first name(s), date of birth, and gender. Failure to follow this procedure may result in denial of entry to the territory (transit or final destination).

A traveler who is unable to use the transport tickets provided due to failure to present the required police, customs, and/or health documents shall not be entitled to any refund of the trip price. Wanderly Trips cannot, under any circumstances, be held responsible for the consequences of the traveler's failure to comply with police, customs, or health regulations prior to or during the trip (e.g., loss of identity documents and/or plane tickets).

4.2. SAFETY AND HEALTH RISK INFORMATION

We recommend that you regularly consult the country-specific travel advice for your destination(s) on the French Ministry for Europe and Foreign Affairs (MEAE) website at [France Diplomacy](https://www.diplomatie.gouv.fr/fr/avis-de-depart), under the "Travel Advice" section, before your departure. Wanderly Trips may ask you to sign the MEAE travel advice for the country/countries visited or transited through, in fulfillment of its duty to inform. This request does not constitute a waiver of liability. **Health risks:** We also recommend that you regularly consult information on health risks in the country/countries of your trip and follow the recommendations available on the websites of (1) the French Ministry of Solidarity and Health: solidarites-sante.gouv.fr, and (2) the World Health Organization: [World Health Organization \(WHO\)](https://www.who.int).

4.3. ACCESSIBILITY

Our trips require varying levels of physical involvement depending on the required fitness level; consequently, not all of our trips are adaptable and/or accessible to everyone.

We invite you to contact us for further information regarding any questions related to the accessibility of our trips and for any assistance you may need, particularly with transport at airports and/or during transfers.

4.4. MINORS

4.4.1. Registration

Wanderly Trips accepts the registration of minor travelers. Registration requests for minors traveling without their parents or legal guardians, subject to prior approval by Wanderly Trips, must be signed by the father, mother, or legal guardian and include the statement "approval of the father, mother, or guardian."

Depending on the destination, minors must possess the required administrative documents: national identity card, passport in their name, exit authorization, and/or visa. It is advisable to first check the documents required by the destination country by consulting the country-specific pages on [France Diplomacy](https://france.diplomacy).

4.4.2. Minors traveling without their parents, guardians or other adults

Since January 15, 2017, an exit authorization is mandatory for any French minor traveling abroad without their parents. A minor child traveling without their parents must present the following three documents:
- Identity document of the minor: identity card or passport according to the requirements of the destination country;
- Exit authorization form signed by one of the parents holding parental authority; - Photocopy of the identity document of the signing parent. An emergency contact number will be provided on the airport summons.

4.4.3. Minors traveling with one of their parents, guardians or other adults

For minors traveling with one of their parents, guardians, or other adults, you must ensure that you have the necessary documents for the minor traveling with you (family record book and national identity card or passport). The minor traveler must also carry at all times during the trip the contact details (name, address, and phone numbers) of their parents in order to allow direct communication with them.

Some countries may require proof that the other parent authorizes this trip.

5. CHANGES/ INTERRUPTION OF SERVICES REQUESTED BY THE TRAVELER

5.1. TRANSPORT SERVICES

After registration for the trip, any changes concerning transport, notably changes to the traveler(s) last name(s) and first name(s), may incur additional fees and/or penalties, the amount of which must be paid by the traveler(s) to Wanderly Trips prior to departure.

5.2. OTHER SERVICES

After registration for the trip and before the departure date, any fees resulting from a request to modify (add or remove) travel services shall be the responsibility of the travelers and must be paid to Wanderly Trips by any means. Failure to make payment may relieve Wanderly Trips of any obligation to implement the requested changes. From the departure date onwards, any request to modify and/or not use all or part of the trip services will not entitle the traveler to any refund of the initial services. Any new service requested during the trip must be paid in advance to Wanderly Trips or the designated service providers.

5.3. SPECIAL CASES

Any request to modify the departure and/or return date may result in additional fees charged by our service providers, which will be passed on to you.

6. CANCELLATION/ TERMINATION CONDITIONS AND FEES

If you are obliged to cancel your trip before it begins (departure date), you must inform Wanderly Trips and the insurer as soon as possible by any written means that allows for acknowledgment of receipt. The date of issuance of the written notice will be considered the cancellation date for the purpose of calculating cancellation fees.

Important: The insurer will determine, based on the documents you provide directly, the date of the event causing the cancellation of your trip in order to reimburse the cancellation fees.

The insurance premium, visa fees, and passport delivery costs are non-refundable by either Wanderly Trips or the insurer. In the event of a trip cancellation, the provisions set out in this article will apply.

6.1. CANCELLATION/ TERMINATION BY ALL PARTICIPANTS
Scale of cancellation/termination fees. For all Wanderly Trips trips, the following cancellation/termination fees will apply:

- More than 60 days before departure: 15 % of the total amount of the RF;
- 60 to 31 days before departure: 20 % of the total amount of the RF;
- 30 to 21 days before departure: 35 % of the total amount of the RF;
- 20 to 14 days before departure: 50 % of the total amount of the RF;
- 13 to 7 days before departure: 70 % of the total amount of the RF;
- 6 to 3 days before departure: 90 % of the total amount of the RF;
- Less than 2 days before departure: 100 % of the total amount of the RF.

In the event of cancellation, for any reason, expenses outside of the trip booked with Wanderly Trips and incurred by the traveler(s), such as transportation to and from the trip departure point, visa fees, travel documents, and vaccination costs, shall not be refundable.

6.2. CANCELLATION/ TERMINATION BY CERTAIN PARTICIPANTS AND CONTINUATION OF THE TRIP FOR OTHERS (APPLICABLE TO PRIVATE AND/OR TAILOR-MADE TRIPS)

If one or more travelers registered for a private and/or tailor-made trip cancel their participation in a trip that continues for the other participants, the following fees will be charged to the canceling traveler(s):

- he cancellation fees referred to in Article 6.1 above, as well as:
- The fees and/or various costs incurred by Wanderly Trips to allow the continuation of the booked trip at the same price for participants who remain registered and continue their participation in the trip. In any case, the price of a private and/or tailor-made trip is set based on a determined number of participants and the services required to carry out the trip. The cancellation of one or more participants therefore has a direct impact on the trip price for all remaining registered participants. These additional costs must be borne by the participant(s) who cancel their participation in the trip.

In the event of cancellation, for any reason, expenses not included in the trip booked with Wanderly Trips and incurred by the traveler(s), such as transportation to and from the trip departure point, visa fees, travel documents, and vaccination costs, will not be refundable.

7. TRANSPORT CONDITIONS

a) Carrier Identity:
The identity of the carrier(s) likely to provide your transportation during your trip is indicated in the trip description (web page) or the trip technical sheet. In the event of any changes after your registration, Wanderly Trips undertakes to inform you by any means, as soon as it becomes aware, of any changes in the identity of the carrier(s), particularly airlines. In accordance with our obligation, we inform you that the European list of banned airlines can be consulted at: http://ec.europa.eu/transport/modes/air/safety/airban_fr.

b) Changes to Transport Schedules:
We do not know the exact times of your

transportation (e.g., flights) at the time our travel offer is published. To help you estimate the actual duration of your trip, and unless otherwise specified in the trip description, the first and last days of the trip are generally allocated to transportation. For air travel, please note that flight schedules may change up until the departure of the trip, depending on traffic authorizations granted by the competent authorities to the airlines. We will communicate the schedules to you as soon as they are confirmed by the carrier. Please note that layover times are generally determined by the airlines according to their flight plans and may be modified due to regulatory reasons or circumstances beyond the carrier's control, without constituting grounds for free cancellation. Any flight may occur at any time during the scheduled day and may require you to arrive at the airport several hours before the start of that day, and up to 3 hours prior at the latest.

c) Changes to Itinerary, Train Station, Port, and/or Airport:
Any carrier may, without prior notice, modify not only schedules but also the itinerary, as well as the departure and arrival train stations, ports, and/or airports, particularly due to technical, climatic, or political incidents, or strikes beyond the control of Wanderly Trips. These events may result in delays, cancellations, additional stops, or changes of aircraft or route. In the case of air transport, a traveler holding a boarding pass remains under the protection and assistance of the airline.

d) Non-Performance of Transport Services:
In the event that the reserved transport service is not used due to the traveler's actions, for any reason beyond the control of Wanderly Trips, the outbound and/or return transport ticket will be canceled by the carrier. The traveler must then purchase, at their own expense, one or more transport tickets to continue the trip. For air transport tickets, airport taxes for unused tickets are refundable upon request (Art. L 224-66 of the French Consumer Code).

e) Delay/Cancellation of Transport Services:
In the event of a delay in transport at the departure or return of the trip, and/or damage or loss of luggage, denied boarding, and/or flight cancellation by the carrier, we recommend that the traveler retain all original documents (tickets, boarding passes, or baggage tags, etc.) and request written confirmation from the carrier in order to assert their rights.

If the traveler(s) decide(s) to cancel the trip before the departure date due to the occurrence of the above-mentioned changes, even though they do not affect an essential element of the trip, the cancellation/termination fees referred to in Article 6 above will be charged to him/her/them.

8. SPECIAL CONDITIONS FOR OUR TRIPS

8.1. EXTENDING YOUR TOUR
We offer you the possibility to advance your departure date or postpone your return date. To do so, we invite you to contact your advisor to learn the amount of any additional charges related to this change.

8.2. ROOMS
All our trips (unless otherwise stated) include accommodations in double rooms (two persons). When possible, a single room (one person) may be requested from Wanderly Trips, subject to an additional charge.

8.3. SPECIAL CONDITIONS FOR HIGH MOUNTAIN/ SKI AND SNOW/ TRAIL TRIPS
The staff selected by Wanderly Trips and its partners (high mountain guides, mid-mountain guides, or ski instructors) to accompany any group of travelers are the sole authority during the trip to carry out or modify the planned program in order to ensure the safety of travelers and the smooth running of the trip, or to respond to unforeseen circumstances. They are also authorized to suspend and/or interrupt the trip of one or more travelers for safety reasons. An alternative trip will be offered to the affected traveler(s).

Depending on weather conditions, the peaks to be climbed, or the physical condition of the travelers, Wanderly Trips, through its representative, may propose an adapted program and/or the presence of an additional guide. Any additional costs will be borne by the travelers. A trip interruption initiated by any traveler will not entitle them to any refund.

8.4. GROUP SIZE
For guided tours and family trips: Unless otherwise stated, the maximum group size for our trips is 15 people. However, the maximum may be exceeded by one participant if the last person registering wishes to travel with another person. Services will not be modified, and the conditions of your trip will remain the same.

- For tailor-made trips: For all requests from travelers wishing to travel together, we can adapt the guidance and logistics to the group size, if the destination allows.

8.5. CANCELLATION BY WANDERLY TRIPS DUE TO INSUFFICIENT PARTICIPANTS
We may exceptionally be forced to cancel a departure if the minimum number of participants is not reached. This decision will be communicated to you no later than:

– 20 days before the start of the trip or stay for trips lasting more than 6 days;
– 7 days before the start of the trip or stay for trips lasting 2 to 6 days;

– 48 hours before the start of the trip or stay for trips lasting no more than 2 days.

An alternative solution may be offered. If the proposed alternatives do not suit you, all payments made will be fully refunded, without any additional compensation. All expenses incurred by you (purchase of plane or train tickets, hotel, necessary travel equipment, etc.) remain your responsibility.

8.6. SERVICES BEFORE DEPARTURE AND AFTER RETURN
For any traveler arranging their own services before departure and after the return of the trip (transport, hotel, etc.), taking into account transport constraints (see Article 8), Wanderly Trips recommends purchasing services (transport tickets and others) that are modifiable and/or refundable, and planning reasonable transfer times between airports, ports, and train stations.

In the event of an unforeseeable or unavoidable act by a third party and/or by the traveler, which modifies the services booked with Wanderly Trips and/or requires changes to services reserved by the traveler(s) (not included in your trip), Wanderly Trips cannot be held responsible for reimbursing the resulting costs.

9. PRICES

9.1. GUIDED TOURS – GROUP FAMILY TRIPS
The applicable prices are those available on the website for your trip. The price per trip and per traveler is set based on a minimum number of participants specified in the tour offer.

9.2. TAILOR MADE TRIPS
We provide a budget estimate for a trip excluding transport to allow you to personalize your journey by choosing travel dates, services, and mode of transport. The trip price will be the one indicated on your personal quote issued by Wanderly Trips, with a validity date. Our quotes are always made subject to the availability of the services proposed for the travel dates. To book these services, the traveler must pay the amount indicated in their quote in accordance with the payment terms set out in Article 3.

9.3. FOR ALL OUR TRIPS
The trip price is fixed, final, and in euros. However, in accordance with Article L211-12 of the French Tourism Code, up to 20 days before departure, we may adjust the price upwards or downwards, without any possibility of cancellation/termination on your part, for one or both of the following changes in cost:

Passenger transport costs resulting from fuel or other energy costs, or from changes in taxes or fees on travel services included in the contract, imposed by a third party not directly involved in the execution of the contract (including tourist taxes, landing or boarding fees at ports or airports), will be charged by Wanderly Trips at the full additional cost incurred. Your refusal to pay this price adjustment will be considered a cancellation.

If one or more travelers registered on the same registration form cancel, the trip may continue

provided that the remaining participants pay Wanderly Trips, before departure, for any additional costs of services that had to be modified due to the cancellation of the traveler(s). Any refusal by the remaining registered traveler(s) to pay this adjustment will be considered a cancellation/termination on their part, and the cancellation/termination fees of Article 6 will apply.

9.4. ADDITIONAL FEES, CHARGES AND COSTS. Additional fees, charges or costs (tourist taxes, hotel resort fees, parking fees, national park entrance fees, etc.) may need to be paid by the traveler during the trip. These fees, not included in the total trip price, are indicated in the offer where applicable. We recommend that you bring an appropriate means of payment for your trip.

10. TRANSFER OF THE CONTRACT

In accordance with Article R.211-7 of the French Tourism Code, you have the option to transfer your contract to a transferee who meets the same conditions as you to undertake the trip, provided that the contract has not yet taken effect. You are required to inform Wanderly Trips of your decision by any means allowing acknowledgment of receipt, no later than seven days before the start of the trip.

In the event of a contract transfer, both the transferor and/or the transferee must first pay the fees incurred by the transfer, which will be communicated to you by your advisor.

11. LIABILITY

- Arrival after the scheduled time for check-in and/or boarding for any transport journey, particularly flights. No refund of the transport ticket will be due by Wanderly Trips in this case;

- Unforeseeable or unavoidable events caused by a third party, such as wars, political unrest, strikes beyond the control of Wanderly Trips, riots outside the control of Wanderly Trips, technical or administrative incidents beyond the control of Wanderly Trips, airspace congestion, adverse weather, delays (including in mail services), breakdowns, loss or theft of luggage or other personal belongings of travelers;

- Cancellation imposed by exceptional and unavoidable circumstances, and/or for reasons related to the safety of travelers, and/or by order of an administrative authority; in this case, Wanderly Trips reserves the right to modify the planned dates, schedules, or itineraries to ensure the safety of travelers, without any recourse possible for them;

- The person registering on behalf of all travelers undertakes to provide each traveler with the information supplied by Wanderly Trips regarding the trip, so that Wanderly Trips cannot be held responsible for any failure or omission in communicating this information.
